

### Scientific Committee

Prof. Dr.-Ing. Harald S. Müller (chair)  
Prof. Dr. Henrik Stang (co-chair)  
Dr. Mikael W. Bræstrup  
Dr. Mette Glavind  
Dr. Uffe G. Jensen

The complete, international committee is currently under formation.

### fib meetings

The Technical Council and General Assembly meetings will be held at the Technical University of Denmark located 15km north of Copenhagen.

### Contact details

To be kept up to date with important announcements, deadlines, registration and practical information, please visit [www.fibcopenhagen2015.dk](http://www.fibcopenhagen2015.dk). For information about sponsorship or exhibition, please contact Jørgen Schou at [joergen.schou@unicon.dk](mailto:joergen.schou@unicon.dk). For general queries about the conference please email Helle Klestrup at [hek@discongress.com](mailto:hek@discongress.com)

### fib in brief

*fib* ("federation international du béton" – International Federation for Strutral Concrete) is a not-for-profit association committed to advancing the technical, economic, aesthetic and environmental performance of concrete structures worldwide.

*fib* plays an essential role in stimulating research and promoting the use and development of concrete.

Dissemination of information is a major feature of *fib's* work; this is accomplished through a number of channels including technical publications, a quarterly journal, symposia, courses and awards.

First Announcement and Call for Papers

## Concrete – Innovation and Design *fib* Symposium

**Copenhagen, Denmark  
May 18-20, 2015**

Visit [www.fibcopenhagen2015.dk](http://www.fibcopenhagen2015.dk)

**Note:** A new contribution format without a submitted paper introduced for case studies

[www.fibcopenhagen2015.dk](http://www.fibcopenhagen2015.dk)

## Call for papers

Participants wishing to present a paper should submit an abstract in English in accordance with the instructions on the homepage at [www.fibcopenhagen2015.dk](http://www.fibcopenhagen2015.dk). The abstract must be submitted via the link on the website. Hard copy, email or fax submissions will not be accepted. Furthermore, a new contribution format will be introduced for case studies. The intention is that descriptions of structural concrete projects, under execution or recently completed, may be presented without a submitted full paper, the PowerPoint presentation being subject to review by the Scientific Committee. The subject must relate to the theme and topics or it will not be considered, and the specific topics addressed by the paper should be indicated.

A two-page short version of the paper will be printed and published in the conference proceedings. The full paper or presentation will be distributed in electronic format.

## Conference format

Keynote and invited speakers will address the conference generally in the plenary sessions, and thematic concurrent parallel sessions will be held for the presentation of papers/presentations selected by the Scientific Committee from those submitted.

## Theme and topics

The conference theme is Concrete – Innovation and Design. The main theme is supplemented by the following topics:

- Civil Works
- Conservation of Structures
- Innovation in Buildings
- New Materials and Structures
- Analysis and Design
- Modeling of Concrete
- Numerical Modeling
- Life Cycle Design
- Safety and Reliability

For detailed information please visit [www.fibcopenhagen2015.dk](http://www.fibcopenhagen2015.dk)

## Important dates

---

### May 1, 2014

Deadline for submission of abstracts

---

### July 1, 2014

Notification of provisional acceptance

---

### November 28, 2014

Deadline for submission of full papers/presentations

---

### January 30, 2015

Notification of paper/presentation acceptance

---

### May 18-20, 2015

Conference

---

## Symposium Venue

The symposium will take place at Tivoli Hotel & Congress Center in Copenhagen. The venue is located in the heart of Copenhagen within walking distance of the Tivoli Gardens, the pedestrian shopping streets, Town Hall Square and the waterfront.

## Language

The conference will be conducted in English, with no simultaneous translation. Authors invited to present their papers must be able to do so clearly in English, and be prepared to respond to questions in English during the discussion periods.

## Exhibition and sponsorship

An exhibition of specialist products and services will take place at the conference venue. Potential exhibitors should contact Jørgen Schou at [joergen.schou@unicon.dk](mailto:joergen.schou@unicon.dk)

A limited number of sponsorship packages are available, to connect corporate partners with key audiences through a range of branding. Companies wishing to register an interest should contact Jørgen Schou at [joergen.schou@unicon.dk](mailto:joergen.schou@unicon.dk)

## Social programme

A social programme will be organised for all participants including a gala dinner and welcome reception. Further details will be published on the conference website [www.fibcopenhagen2015.dk](http://www.fibcopenhagen2015.dk)

## Organising Committee

Kaare K. B. Dahl (chair), Jørgen Schou (co-chair), Henrik Stang, Mikael W. Bræstrup, Uffe G. Jensen, Mette Glavind, Helle Klestrup

Tivoli Hotel & Congress Center.
