**Structural Concrete 2050**  
**Towards Carbon Neutrality, AI Design, and Robotic Construction**

Lisbon, June 15-19, 2026

**[www.fiblisbon2026.pt](http://www.fiblisbon2026.pt)**

## We have the great pleasure of inviting you to Lisbon to join the 7th *fib* Congress, 15-19 June 2026

The 7th *fib* Congress will provide maximum visibility of your company to all relevant actors involved in concrete technology and design, by bringing together renowned scientists, distinguished structural designers and consultants, top project and on-site managers, experienced engineers from both public and private entities, and leading professionals from construction and prefabrication companies, among others.

The technical exhibition is located in both foyers, directly in front of the auditorium and adjacent rooms where plenary and parallel sessions will take place. This strategic location will also host coffee breaks and lunches, making it the ideal location for companies to showcase their products and services.

For enquiries and Sponsorship registration, please contact us at [info@fiblisbon2026.pt](mailto:info@fiblisbon2026.pt).

### Organising Committee
